

Cairo International Fair (49)

Cairo International Fair (CIF) is a well-established multi-sectorial trade event that has in the last forty seven years provided a unique platform for marketing products and services. It has enabled participants from overseas to introduce new and improved technologies on Egypt and Middle East markets .

CIF's business success is demonstrated by the increased participation of exhibitors from both the foreign and in the host country. CIF 2015 attracted more than 1000 exhibitors from 15 countries and the number of visitors was more than one and half million.

About Cairo International Fair- :
