

Ministry of Economy  
and Industry  
THE MINISTER

March 29, 2023

In honor of:  
Mr. Erkan Salur  
Commercial Counselor  
Embassy of Türkiye

**Subject: The decision of the Minister of Economy and Industry regarding the extension of the anti-dumping levy on the import of low voltage cables from Turkey**

Please find attached the Minister of Economy and Industry's decision regarding the extension of the anti-dumping levy on the import of low voltage cables from Turkey. In addition, attached you can find the conclusions and recommendations of the Advisory Committee to the Minister and the investigation findings issued by the Commissioner on the matter. Hearings for the parties were held by the Advisory Committee. Accordingly, the Minister of Economy and Industry has decided not to hold additional hearings on the matter.

Respectfully

Motti Gamish

Chief of Staff of the Minister of  
Economy and Industry
